AN OVERVIEW OF DOUBLE DEGREE

Established in 1980, the MSc Program at FEB UGM has garnered recognition as a premier institution for economics and business graduate education in Indonesia. Accredited by the AACSB, it boasts a distinguished faculty of 29 professors and 77 PhDs. With all programs accredited "A" by the National Accreditation Board, Ministry of National Education, the program is esteemed for its commitment to academic excellence and research quality. Notably, it has been entrusted by the Indonesian government to administer graduate education to international students from various countries. Through innovative approaches, graduates emerge academically proficient and globally competitive, holding key positions in diverse sectors.

The program's support for research dissemination and international collaboration underscores its dedication to advancing knowledge and fostering global perspectives. Additionally, its dual degree program with prestigious international universities equips graduates to address global business challenges while upholding ethical standards and local values, solidifying its position as a beacon of excellence in higher education.
